

UDLAP TIMELINES FOR FALL 2021

Early Admission or Regular Admission Applicants

You may apply to **UDLAP** under either our Early Admission or our Regular Admission system.

- ▶ **Early Admission** and the **Scholarship** process candidates apply by **September 26** and receive notification in 1 week.
- ▶ **Regular Admission** candidates apply by **June 5** and receive notification in 1 week.

TESTING INFORMATION

You must register at UDLAP's webpage and then submit the ACT or SAT (test scores) as part of our application requirements. Students who decide to enroll at UDLAP will be required to submit a copy of your birth certificate and the New Admission Form (SNI - Solicitud de Nuevo Ingreso).

Although it is possible to submit scores from tests taken the previous year (SAT and ACT), we recommend that you submit testing as early as possible.

Scores submitted before the end of November will allow us to begin our evaluation process for those submitting applications by December 16, before the end of the school year. If you are applying for Early Admission we would like your testing results by the end of October; however, you may submit the November scores if needed. Those results are expected to arrive in time for consideration without the need and expense of "rush reporting."

If you are applying Early Admission, there is another option for you to enroll through our online testing. Register for the online test and share a tentative schedule with your International Admission Assessor, considering that the test consists of a multiple choice, verbal and mathematical reasoning (in Spanish) test, with a duration of 2 hours.
